COMMODORE'S REPORT

FRANK DOLAN

March is here and we are already two full months into this year. Mary Lou and I have been very busy with Club activities and as such, time just seems to be flying by. To date we have represented the Club at four Commodore's Balls: Grosse Pointe Sail Club, Detroit Yacht Club, Albatross and Ford Yacht Clubs. We have enjoyed each event and it is such a pleasure being your representatives at these events. It is interesting to observe the varying formalities of each event from the smaller Club balls to the pomp of grandeur of the Detroit Yacht Club. Although each Ball is unique in its formalities and customs one thing remains constant at each event is the reputation of the Windsor Yacht Club. As soon as we state we are from Windsor Yacht Club we see smiles on all their faces and hear accolades about our Members and our Club. Without exception the sailors at the events praise our race program and consider our program to be the best race program in this area. We are very much looking forward to being ambassadors for your Club again this month, as there are two events scheduled for March.

We attended the Detroit Athletic Club / Detroit Boat Show/ "Winter in the City" excursion organized by Scott Allen. We had a fantastic time. Typical of Scott everything was well organized, the various activities Scott arranged were all great and the facilities we dined at were awesome. Great job Scott in putting this event together.

In addition to representing the Club at various events and attending the "Winter in the City" excursion, we have been busy back home attending Board and Committee meetings. We are not directly involved with the various committees, as they work with either George McMahon or Tom Weber, however, we have sat in on some of their meetings and are very pleased to be able to tell you that everyone involved with the committees are working very hard to make this year another great year at the Club.

As many of you know Laura Wevers met with the Flag Officers on Friday evening February 15th and advised that she would be tendering her resignation from the Club. It was a sad day for us when we realized she would be leaving. Laura has been a very positive force at the Club and has made a significant contribution to the Club through her organization and execution of many wonderful events. However, it is a very positive change for Laura and we are very happy for her. She has been afforded an opportunity to accept a position of greater responsibility and scope. The new position will allow her to advance her knowledge, skill levels and further grow her career. We are very excited for her that she has been given this wonderful opportunity and have wished her well in her new adventure. We have also advised her that if she needs any advice or support from us she need only ask and we will do our best to help her succeed. All the best Laura!!, and as they say in Newfoundland, "long may your big iib draw."

The Windsor Yacht Club is your Club. A Club that you should be very proud of so come out and enjoy all it has to offer.

See you at the Club.

Frank

Good Friday Features

VICE COMMODORE'S REPORT

GEORGE MCMAHON

You may recall in my January Log that we must be prudent with our financial resources and prepare for that "rainy day that is sure to come". Well my friends, that "rainy day" approached us - way ahead of schedule, when the Club suffered a complete breakdown of our computer server on Super Bowl Sunday. Thanks to the good work of our office staff, we were able to attain a standby server and manually input all data that was lost. A new server was ordered to the tune of \$20,000.00 - so much for a "rainy day" that was supposed to occur in 2020. Again, thanks to our fiscal prudence, we were able to pay for this without incurring any additional loans. However, our good luck is starting to run out. The moral of the story folks - we need you to come in and support your Club!

Traditionally January to March is the slow period of our Club. We realize that there are many Members heading south (Stephanie and I in March); however, to compensate, we have added additional features for our wintered Members to enjoy. For example, Stephanie and I enjoyed the Super Bowl Party (boring game though) and we enjoyed the new Saturday Night Menu (Trivia Night) - which was well attended. Thanks to all of you for coming out. Our Friday Night Entertainment crowd, despite Lance's best efforts, is on the low side and our Membership Committee is bringing back great suggestions for the Board's approval (more on that in my next Log report).

Finally, I wanted the Members to know that Stephanie and I attended (on behalf of P/C Saxby and Lady Fiona) the Lake Shore Sail Club Commodore's Ball in Farmington Hills, Michigan. As Commodore Dolan has alluded to, it's a great honor to represent our Club at these events. My next report will be in April.

Enjoy!

REAR COMMODORE'S REPORT

TOM WEBER

So far it's been "smooth sailing" from your Rear Commodore's perspective.

Since I work with the three Directors that oversee all the outdoor activities (Fleet, Race and Yards & Docks), there hasn't been too much activity due to all the white stuff on the ground outside. Having three great individuals working those positions really helps, but I would expect that this is just the "calm before the storm", and activity will pick up soon enough.

Our land based fleet made its' presence known at the Detroit Athletic Club last month when we also got a taste of the upcoming boating season at the Detroit Boat Show. Besides the Detroit Athletic Club, we had lunch at the Detroit Club, a private Club that opened its' doors at its' current location back in 1892. Talk about going back in time, one can only imagine the conversations that took place by the likes of Henry Ford and Walter P Chrysler back in the day. It's pretty impressive to see a group of 45+ WYC Members having a great time together on such a fun weekend. Thanks go out once again to Scott Allen for being our host for this event.

Keeping with the Fleet theme, take a look at Fleet Captain Patrick Strong's Log report this month and make sure to contact him ASAP if you're interested in the trips that he's planning.

Hope to see you soon at Your Place...On the Water.

Members enjoying "Winter in the City Excursion"

FLEET CAPTAIN'S REPORT

PATRICK STRONG

Hello from the desk of your Fleet Captain.

In this entry I would like to bring your attention to the next two fantastic venues we have planned. Before I do, once again I cannot stress enough that if you want to have fun with your fellow Members, BOOK, BOOK... and book now. The two next venues were such a huge success last year that they are filling up fast.

Our first venue is the "3 X Land" Bus Cruise scheduled for April 13, 2019. We have worked very hard to put together a day of fun and enjoyment that we hope will surpass your expectations. We are introducing a "pay one price and enjoy your day with all-inclusive, tax-in pricing (except for personal drink consumption throughout the day). Your bus to fun will depart WYC parking lot at 10am sharp with stops at The Swan Boat Club, The Seaway Boat Club and The Waterfront Restaurant in Wyandotte for a buffet dinner, ending back at our Club by approximately 8:30pm. This year I am implementing an all-inclusive pricing structure that will allow you to pay once and forget about it. Let us take care of you. In previous years you paid up front for the Bus and passed the hat for a tip for the driver. At the restaurant you again paid for your meal and it took a long time for food service. This year your seat on the bus, a tip for the driver and your buffet dinner is all included in the one bargain price of ... \$78.00 total Canadian (all taxes and gratuities included). Registration is open until March 15th. This is an absolute firm date to register. Please note that we are not accepting reservations past March 15, 2019 and we cannot refund after the 29th as the bus needs a very firm count. Register by sending an email with only the words "3 X Land" in the subject line to strong.patrick.j@gmail.com or text my phone at 519-791-0408.

Our second venue is MacRay Harbor June 28 to July 1st weekend. This year we have chosen to go to MacRay Harbor instead of Sarnia Bay. My committee, along with myself, felt that given the realization that the fireworks in Sarnia were being presented on Monday July 1st, most of our Members would have left dock already due to work commitments on Tuesday. MacRay has reserved 22 slips in their transient section near the pool for us. My Fleet Committee is working on plans to make this a fantastic weekend for all involved. Registration is now open. Please email or text me with the words "MacRay" in the subject line. Once received I will inform you on the process for securing your slip. strong.patrick.j@gmail.com or text 519-791-0408.

I have many disappointed Members that they could not get into Milliken, please don't be one for MacRay.

Let's all make this a memorable boating season at ... Your Place...On the Water!

Your Fleet Captain, Patrick

Wednesday April 10, 2019

6 pm Cocktails | 7 pm Dinner Rolls & Butter

YARDS AND DOCKS REPORT

PAUL ROBINSON

As I write this entry, March is a week away with April fast approaching. For those Members with indoor storage this is the month of the year we all look forward to preparing our vessels for the up coming spring/summer season. In no time we will be launching and enjoying once again the fabulous waterways we travel upon. As work takes me from the West coast to the East coast with many stops in between, I can truly say we not only reside in a great Country, but we are truly blessed for the Great Lakes region we all live in.

The Yards and Docks Committee did an exceptional job this year regarding the 2019 well applications. Other than a few calls I fielded and several boats on the waiting list for WYC Members, we accomplished our goal. Yards and Docks rules governed the selection process to ensure fairness to all applicants and again, I would like to thank Past Commodore Brian La Bute, Rear Commodore Tom Weber, Stewart Dawson, Jim McCloskey and Chris Eagan for all their time and contributions to the Harbour duties.

Mark your calendar, Harbour cleanup day is around the corner and those Members wishing to participate can reach out to any of the committee Member to reserve a spot.

See you around the Club,

Paul

RACE REPORT RICK ZANGARI

Each Wednesday during our race season, many Members sit on the best waterfront patio in the city and watch the finish of the sailboat races. Some observers may understand what has gone on with the boats and their crews to get to the finish line, but I'm sure that most don't.

The Windsor Yacht Club holds 14 race nights, plus one overnight race, during the spring and fall race series. Boats are generally divided into 5 different classes based on their rating or boat type.

Prior to the start of each race, Members of the Race Committee (RC) board the RC boat and head out to approximately 0.8 miles east of Peche Island where a race mark has been placed before the spring series starts. Based on the wind strength and direction, the committee determines which of 18 different courses the sailboats should follow that night. The courses range in distance from 2.3 to 7.8 nautical miles. The RC boat is positioned and anchored at a location to create a start line approximately perpendicular to the direction that the boat must sail to the first mark of a chosen course. A typical race will direct the boats around 6 or 7 marks before they cross the finish line. The chosen course (or courses) are displayed on a board for all racers to see.

Onboard the RC boat, the committee Members each has specific responsibilities. There are at least 2 spotters who note the name and sail number of all participating boats, a sequencer, flag people who raise and lower warning, start and postponement flags, someone to watch for boats over early and of course, someone to drive the boat.

The Race Committee starts the race sequence with flags and horn sounds that allow all the racers to know when each race class starts. There are 5 minutes between each class start.

Once the races have all started, the anchor is pulled up on the boat and the committee heads back to the Club to start the second part of their race duties. As each boat crosses the finish line, which is a line between the RC flag on the Yacht Club patio and mark DP5 near Peche Island, the horn is sounded and the time is recorded. A computer program calculates each boats adjusted time based on the rating for that boat. Finish results are posted on-line immediately after the race for all racers to see.

If you would like to know more about the racing or are interested in joining the committee, please see one of the committee Members or myself.

See you around the Club, P/C Rick Zangari

FOOD AND BEVERAGE REPORT

As winter begins to depart and spring starts to just peek around the corner, we all look forward to the return of boats in our harbours, Snowbirds returning home and warm evenings on the patio.

We are looking forward to a great season with a multitude of events at the Club. Windsor Yacht Club is a fantastic venue for meetings, birthday parties, weddings and showers or any other special occasion. Name the occasion and we will help you plan a wonderful event.

Please remember for Club events and dinner reservations you can email reservations@windsoryachtclub.com. This is a very quick and efficient way to ensure your reservation is received and processed through the correct channels.

Come enjoy Saturday nights at the Club with fun filled Trivia until March 16th from 7 pm to 9 pm or have a wonderful dinner with your sweetheart or best friend for Date Night until the end of March for only \$50 ++. Don't miss this great offer of a shareable appetizer, 2 entrées and a shareable dessert from the special menu.

Not going away for March Break? Don't forget that the Club will be open for Member dining during the March Break. Join us on Sunday, March 17 for St. Patrick's Day for Irish cheer and celebrate with some Green Beer, Irish favourites and some great musical talents of Mark Crampsie & Cam Rankin. Just a reminder that Galley will be open from 12 pm – 8 pm. Bring your Green on!!!

As Easter is right around the corner, we encourage all Members and their families to take part in this tradition at Windsor Yacht Club. A reminder to book your dinner reservations on April 19th for Good Friday to enjoy some great dinner Features as well as the ever-growing Kid's Easter Egg Hunt event on April 20th from 10:30 am – 2:00 pm with our special guest, the Easter Bunny. Reservations are required for the Easter Brunch on April 21st with two seatings at 10:30 am – 12:00 pm and 1:00 pm – 2:30 pm.

Mark your calendar and don't forget to reserve your spot or table for two wonderful Ladies events, the Ladies Spring Social Dinner on Wednesday, April 10th and the WYC Ladies Spring Fashion Show on Tuesday May 7th. As a reminder, please reserve by April 10th to guarantee your table for the Spring Fashion Show for a Starry Night where Women Shine. Reservations for the Spring Fashion Show must be done through email only. No phone calls please. Don't forget to purchase raffle tickets for the Ladies Fashion Show for your chance to win a Cruise. Raffle tickets are available at the bar or please contact the office. Raffle tickets are 1 for \$20, 3 for \$50 or 7 for \$100.

As always, we welcome your suggestions, feedback and ideas. We look forward to seeing you at the Club.

Cheers!
